PARKS & RECREATION

Family Day in the Park was a huge success! A big thank you to everyone who came out and to all those who volunteered their time to make it such a great day. There are a few new pieces of equipment in the park as well as a tetherball and a volleyball net. Please remember to be safe when using it and be respectful of the equipment and others around you. The swimming pool has a sign out sheet for a volleyball to use.

Next up in July is the Summer Fun Program and swimming lessons. The Summer Fun Program starts July 4th for ages 5-12 and will be completely free this year! A few things that are planned for the summer include the Saskatchewan Science Center's travelling group, Children's Hour at the museum, gymnastics lessons, and Singing with Sylvia at the library.

Swimming lessons also start July 4th – 8th, and two more times over the summer July 18th – 29th and August 8th – 12th. Our pool staff is excited to see everyone have some fun and get cooled off this summer.

Message from Town Office

The Town of Allan has been advised that our Rec Director, Joe Nason will be leaving us in August. We are taking applications for this position.

Council would like to remind everyone to keep their grass mowed and trees trimmed. All front hedges should not exceed 1 meter. We have a number of areas in town where the trees make it impossible for pedestrians to use the sidewalk, if you can't walk on the sidewalk because of hedges or tree branches, please trim them back. Also, the back lanes are getting very overgrown with trees again, we'd like your help in dealing with this problem.

Road work will be going on through the summer. If you notice work starting to happen in your area, please park your vehicles off the street to help our public works department do a good job on your road.

Council would like to remind everyone that we have an off leash area for dogs north of the Alpine Crescent subdivision and to the east along the canal. Otherwise, we ask that everyone keep their pets leashed. Please clean up after your pet, to make walking around town and working in your yards more pleasant for everyone.

Allan Community Heritage Society & Museum

Hi everyone! Here are the museum happenings for the month of July! First we would like to send out a big thank you to everyone who donated to our bake sale on June 18th and to all the volunteers who came out and helped us price, set up, sell, hand out baking and take down! We could not have done it without your help! We would also like to extend a warm welcome to our summer students: Laneise Scharback, Madison Allen and Cassidy Swenson!

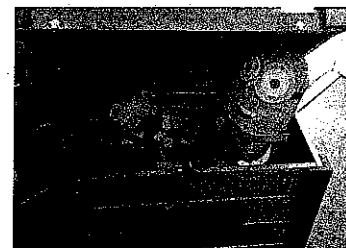

Our July hours are as follows: Monday: closed; Tuesday: 9am—5pm; Wednesday: 9am-8pm; Thursday-Saturday: 9am-5pm; Sunday: 1pm-5pm.

Our children's hour starts July 6th at 10am. It runs for an hour each week. We will read stories, sing songs, crafts, games and exploring the museum. This is a free program for ages 3 to 12!

The scavenger hunt is another fun activity to take in at the museum and it is ready for everyone to come and participate in!

For those who are interested in viewing the engineering plans for the new building they are available at the museum.

Tickets for our summer raffle are now available! We are raffling off a custom built toy chest full of toys!! We would like to extend a huge thank you to all the contributors: Mitchel and Ashley Carroboung, PJ and Leah Clark, Karsten and Shirley Frydenlund, Rebecca Taylor, Ann Riehl, Bill and Rita Beaton, and Kristy Lang! Also a big thank you to Mitch for building such a wonderful toy box!

Tickets are 3 for \$5 or \$2 each.
