However we are optimistic to be able to offer 3 days a week of public skating come the 14<sup>th</sup> of November. Keep an eye on the Town Facebook page for confirmation. (NEW) Wednesday's: Public Skating – Helmets Advised: 5:45 p.m. – 7:45 p.m.

### Share Your Thoughts:

An interesting idea was brought to my attention for Halloween next year and I must admit; while it is quite different from how it's always been done, I can see some real benefits. What is it you ask? Instead of the traditional door to door canvassing of houses around the neighbourhood at night for candy, we host a one central location, All Ages Halloween Party. The vision is a meeting place for the community to bring their candy hungry children where they will be able to participate in a variety of games and Halloween activities under the supervision of event organizers and anyone who is interested in donating candy can drop it off. In the end children are still being active and can still get their fill of the sweet treats, but instead of manning your doors all night, handing out candy, you can drop it off at the party and stay if you like.

Pros: A guaranteed safe and supervised atmosphere for our children  
 No danger of walking around the community late at night  
 No danger of getting candies that have been 'altered' to cause harm

Cons: I'd love to get feedback. Call, Txt, email or stop on by!
